Subject: New KGTV News Director

Good morning, everyone:

After a long and exhaustive search (one I am sure some of you thought would never end), I am very happy to announce that I have found our next great news director for KGTV. I would like to welcome Todd Reed to the KGTV family. Todd is currently the News Director for the ABC and CW affiliates in Salt Lake City.

Todd has had an extensive and successful career in news, not only as a News Director, but also as the Executive Producer of "America Tonight" for Al Jazeera America based in DC for four years. Prior to Al Jazeera, Todd was the Senior Producer for CURRENT TV in Los Angeles, as well as Platform Producer for KNBC news in Los Angeles and WNBC news in New York.

Todd is a storyteller, a creative thinker, someone who believes we have a strong mission to be of service to the diverse communities we serve. If you'd like to get an idea as to who Todd is attached is a half hour interview he sat down for with the local PBS. I think it will give you a good idea about who he is as a person and leader.

Todd has been married to his wife for 18 years and has two children, Noah aged 9 and Ava aged 3. Todd's first day with us will be Monday, March 21st.

Thanks,

Leon
