Happy 2022 Summer League Season~

Below are some very important links for Team Reps, Coaches, and anyone interested in having insurance protection, needing a background check, or wanting to take the coach certification course.

Please visit the Summer League Swimming FAQ page to find answers to your questions about the timeframe and process. Most of your questions will be answered on the FAQ page. If you do have any questions after reviewing the FAQs and this page, please email Leah Hinnefeld.

All background checks and coach certification courses must be complete by May 31st, or the first day of practice (whichever is sooner). If we do not have a current background check on file (for all coaches age 16 and older and any adult having direct, regular contact with a child), that person will NOT be allowed to be at practices or meets until the process is complete.

Below are links the different products and links to screen shots of the registration process. The process is a little different depending on if you are registering for a background check, coach course, or the bundle.

1. COACHES will register for the BUNDLE (coach certification course + background check), using the link below:

https://www.summerleagueswimming.com/product/coach-course-and-background-check/

Please ask your coaches to use Coupon Code **SUMMERFUN2022** so they are not charged for the bundle.

Please do not share this code with anyone but your coaches. This code is not for volunteers, team reps, or parents.

NOTE: This year we have 2 additional courses available for coaches in their membership library. The only REQUIRED course is the coach certification course. The other courses are optional (but AWESOME).

Coaches are required to have a passing score on the coach course certification exam even if they completed the course in a previous year.

COACHES ARE REQUIRED TO SHARE THE RESULTS OF THE EXAM AND THE BACKGROUND CHECK WITH THE TEAM REP.

If anyone else wants to purchase the course and background, please complete the form and you will be directed to the payment page.

Step by step screen shots showing the bundle process can be found at the link below:

https://www.summerleagueswimming.com/wp-content/uploads/2022/03/Bundle-Flow-Chart-.pdf

2. BACKGROUND CHECKS are required for anyone age 16+ (coach, team rep, volunteers, etc) who have regular, direct contact with a swimmer. When in doubt, Background Check it out! An added benefit of getting a background check is you will be included on the Summer League Swimming Safer Summer Program. The program includes liability protection at practices and at meets. COACHES DO NOT USE THIS LINK! Please use the link in #1 above.

The link to register for and complete a background check at the link below:

https://www.summerleagueswimming.com/background-check/

Step by step screen shots showing the background check process can be found at the link below:

https://www.summerleagueswimming.com/wp-content/uploads/2022/03/Background-Check-Flow-Chart-.pdf

3. The COACH COURSE is available for anyone in your organization to purchase. Team Reps and parents are encouraged to take the course to learn how the coaches are being trained to communicate with the swimmers. I bet everyone will learn something!

To register for the coach certification course and receive access to the additional courses, use the link below:
