Ranging from balloon rockets to making lightning, students learn about surface tension, matter, exothermic reactions, acids, bases and catalysts! Students take home their experiments & creations when applicable.

Camps, care, and enrichment programs designed to educate, entertain, and engage students.

## CLASS DESCRIPTION

### FLAG FOOTBALL CORBIN'S CRUSADERS

This is our most popular program at Corbin's Crusaders. Each week, players are coached on skills and compete in a league with their age bracket. We have standings, playoffs and a superbowl. From the rules and basics of football to advanced game strategy, this program offers athletes healthy competition and excitement each week.

### SPRINGTIME ART AND RECYCLED CRAFTS CLUB MS. DAWN DRACE

This club is chock full of fun and creative activities with a special twist. We will be incorporating items that we can recycle and turn into something different and artistic. Activities will include painting, drawing, and design projects. Bring your enthusiasm and get ready for some fun.

### PAINT YOUR OWN POTTERY: TECHNIQUES MADE: MY ART + DESIGN EXPERIENCE

The perfect way to unwind and get creative after school! We'll explore different techniques in ceramic painting, including masquing, silk screening, etching, stamping, and more. One new project per student each week, with beautiful fired pieces returned in 1-2 weeks! Class hosted by MADE: my art + design experience

### SOCCER CORBIN'S CRUSADERS

Corbin's Crusaders offers sports and athletic pursuits coached by experienced professional men and women. Their job is to help your child take his or her skills to the next level and have a great time while doing it. The focus will be on Soccer.

### DANCE AROUND THE WORLD MESSAGE IN MOTION

In our creative movement & exploratory cultural dance class, your child will explore a variety of dance styles from around the world with an emphasis on technique, rhythm, and imaginative play! Dance styles introduced include a variety of styles such as African, Irish, Latin, Bollywood, and even classical styles including ballet, jazz, hip hop, and ballroom! A new style from around the world will be introduced at each class. Class will incorporate the use of props, role playing, and imagination to aid in personal expression and creativity with a focus on movement vocabulary, choreography, flexibility and stretching, self discipline, and having fun!! Get ready to dance around the world!

### MUSICAL THEATER MESSAGE IN MOTION

Students are introduced to the main components of musical theatre including voice, acting, basic music theory, and dance technique (typically musical theatre jazz/broadway style and/or hip hop.) Learn choreography and staging basics while utilizing props, role playing, and imagination to aid in personal expression and creativity! Students learn and collaborate on mini musical routines from both old school Broadway shows like Cats & Lion King to more contemporary productions and shows like Hamilton, Fresh Beat Band, Annie, and more!

Camps, care, and enrichment programs designed to educate, entertain, and engage students.

## CLASS DESCRIPTION

### SCRATCH JR., MY FIRST CODING LANGUAGE I

MAKEINSPIRES EDUCATION

Coding is the future! ScratchJr is an introductory programming language which enables K-2 students to create interactive stories and games using drag and drop programming blocks to make characters move, jump, dance, and sing... Students see their characters come to life! Reading optional! Coding is equivalent to learning a new language and is just like riding a bike – it is best to start early. Younger students improve computer skills while developing fluidity in their thinking and storytelling using code sequences. Coding requires students to analyze situations in order to achieve a desired outcome - this translates directly to real-life problem solving skills. Scratch Jr Part II takes the skills learned in Part I and expands upon them, showing the maximum capabilities of this language made for kids.

### ADVENTURES IN STEM WITH LEGO® MATERIALS, SPRING 2022

PLAY-WELL TEKNOLOGIES

Ratchet up your imagination with tens of thousands of LEGO® parts! Build engineer-designed projects such as: Airplanes, Castles, and Gravitrons. New and returning students can explore the endless creative possibilities of the LEGO® building system.

### MUSICSTART® KEYBOARDING: "LEARN TO READ MUSIC AND PLAY TUNES!"

THE MUSIC PATH

MusicStart® is a patented progressive music learning system that balances fun and development of skills. Using familiar songs, it teaches all the necessary basics to get started playing music. The MusicStart® Keyboard is especially designed for learning. It uses 4 instructive Attachments that vary the challenge from color matching to letter matching to note matching and reading standard musical notation. MusicStart® is preparation for (or a supplement to) playing any instrument and teaches step-by-step problem solving. All materials are provided.
