

# HIGH FRICTION SURFACING DEMO

**Wednesday, August 4, 2021** (tentative)

**Mountrail County**

**11 a.m. CT (10 a.m. MT)**

(event is expected to last 2 to 3 hours)

(notification of any date change will be sent out a week in advance)

**Project Location:** Mountrail County on County Road 21 from ND 23 south to Sanish.

**Project Description:** A demo of High Friction Surfacing will be held on August 4 (tentatively as construction schedules may change) at 11:00 a.m. Anyone interested should meet at 4 Bears Casino and we will carpool to the site. The contractor will provide an educational overview regarding the benefits of the product and the application of High Friction Surfacing as they are applying the product.

The demo is presented by NDLTAP in conjunction with NDDOT and Mountrail County. **Registration is required.**
