Core Values:

- We are an open and welcoming community.
- We love and serve our neighbors together.
- We care for each other as family.
- We joyfully live out our faith grounded in the Gospel.
- We celebrate the journey!

Audacious Goal:

St. Andrew's will be a new model of church, integrating Christian values into 21st century life.

Audacious Goal Description:

St. Andrew's will touch people's lives in exhilarating ways. In an era when mainline Christian denominations are losing relevance, our diverse offerings of worship, outreach, education and community activities will truly exemplify a vital, modern church.

We will be a holistic provider of life-giving programs that nourish our parishioners and neighbors. A vital hub in our community, we will encourage people to explore, learn, and grow. All who come seeking help, hope, and healing will find compassion and support as they develop skills to sustain themselves and others. St. Andrew's partnerships with local and national organizations will inspire similar programs across the country.

Seeking to renew God's kingdom on earth, the people and friends of St. Andrew's will radiate joy, belonging, love and respect.
