Subject: Staff Announcement

I wanted to let you know that Nicole Hogensen will be leaving us in the next few weeks. Nicole has been with WPTV and WFLX for more than a decade. Her departure is a loss for the newsroom, the community and everyone she's touched along the way.

There are many superlatives we can share about Nicole. Perhaps the overwhelming qualities everyone was fortunate to enjoy was her warmth and passion. Not a day went by without Nicole making someone feel better about themselves and this noble profession she takes a lot of pride in.

There are extraordinary wins during her time here. Nicole will tell you her greatest victories were getting married and raising two rascals for children. Professionally, her victory is growing from an emerging emotionally intelligent leader to one others now want to emulate. The countless big stories, too many to count storms and the ability to react to the dynamic needs of our consumers have defined Nicole's leadership. We are grateful for that.

If you spend any time with her, you'll know Nicole is driven by family. You can expect that to continue. When she announces her next step, you'll see why we are here today and the clarity of tomorrow.
