

Combating Poverty

The Perry / Dallas Counties Fund

Please consider giving to the Perry/Dallas Counties Fund. This Fund was created by the Executive Council of the Presbytery to help mitigate the problem of poverty in Perry and Dallas Counties, Alabama. Perry County has a poverty rate of 40%. Dallas County's poverty rate is 34.6%.

There is an organization in Perry and Dallas Counties trying to do something about this. This is C.E.T. Ministries (Communities Empowered & Transformed). Ms. LaQuenna Lewis is the Ministry Director. CET is located at Eagle Grove Baptist Church, south of Marion. CET operates a food pantry, clothes closet, homeless shelter and prison ministry. The need is great.

With the Perry/Dallas Counties Fund, we are trying to accumulate enough money to send a check for \$4,000 each quarter to the CET. This will help them have a consistent source of revenue. If your church wants to give, whether it's \$20 or \$50 per month or more, please contact RallsCoston, Mission Coordinator at rcoston@pslpcusa.org or 205-617-0216.
