

# Welcome to the MANUFACTURING LEADERSHIP PROGRAM

Preparing Future Leaders  
In Manufacturing

## Overview

TMA is proud to announce its new MLP developed in partnership with Judson University. This ten-month program has been specifically constructed to enhance the knowledge, skills, and abilities of your organization's current talent or those you anticipate will be taking on higher leadership roles within your organization.

Designed by successful manufacturing executives the MLP is led by industry professionals and subject matter experts with substantial experience in critical areas of business and manufacturing.
