

INFORMATION on the ISSUE of SINGLE MEMBER VOTING DISTRICTS 12/20/21

Siesta Key Condominium Council (SKCC) Mission Statement: To provide member Condominium Associations, their owners, residents and renters current information applicable to Condominium living in the legislative, legal and insurance arenas, through a series of meetings/speakers and to support efforts that promote: **safety, economic stability, environmentalism, and the beautification** of Siesta Key.

On December 7, the Board of County Commissioners unanimously voted to place a Single-member district referendum on the ballot again during the March 2022 special election. In 2018, sixty-percent of voters chose single-member districts, and a recent Sarasota County conducted survey reaffirmed that choice.

At the BCC meeting, 25 of 26 citizens who addressed the Board supported single-member districts and spoke against holding another referendum to try to overturn them.

This is the editorial the Sarasota Herald-Tribune published before the BCC meeting that calls for maintaining the "Single Member Districts".

The Board of the SKCC agrees with this position on this issue re our Siesta Key.
