

Highway/Public Works Risk Management Team

For Wisconsin public entities, the Highway and Public Works environment continues to become more complex. The strategies for managing these threats continues to evolve. From regulations to staffing, infrastructure to funding, Highway and Public Works professionals are tasked with more and more each day, all while ensuring a safe and compliant environment.

To address these challenges and to be supportive of our members' Highway and Public Works areas, the County Mutual and Community Insurance Corporation are creating a Highway & Public Works Risk Management Team to:

- » network with Highway and Public Works professionals and share information;
- » identify and understand unique risks and exposures;
- » understand opportunities, and hone approaches, for supportive risk management services; and,
- » foster an increased awareness of risk management principles relating to Highway and Public Works operations.

WHO SHOULD JOIN?

Team-minded Highway and Public Works professionals from County Mutual and Community Insurance Corporation members who want to expand their network, learn, share, and who are motivated to improve the risk management and safety of their own operations.

HOW OFTEN DOES THE TEAM MEET? WHERE ARE THE MEETINGS?

Team meetings are held quarterly and scheduled for 90 minutes. The meetings are held virtually via Microsoft Teams.

WHAT IS EXPECTED OF TEAM MEMBERS?

Team members should be open to learning new concepts, contribute to group discussions (sharing experiences and knowledge), and motivated to critically assess and improve their organization's risk management and safety.

HOW DO I JOIN THE TEAM?

Please complete the application by clicking the button below. The application will allow us to learn more about you and why you'd like to join the Team.
