

# Virtual 2021 Family and Community Engagement Summit

Communities | Families | Schools

The goal of the Virtual Family & Community Engagement Summit is to provide parents with key strategies, perspectives, and resources to help engage and provide valuable insights during these uncertain times in order to support our scholars through their educational journey.

We have assembled an all-star line-up of subject matter experts/professionals who are going to provide key insights into the future of education as we re-engage our scholars back to in person instruction.
