- A. The NSR Committee shall supply the CCA Secretary with a list of Conformation Judges who are eligible (see Section 8, Judges Controls) to judge the specific National Specialty.
 - 1) This eligibility list will be supplied to the Election Committee by the CCA Secretary after it is properly verified by the Membership Chair of the CCA.
- B. The conformation Judges for the National Specialty Show shall be elected as follows:
 - 1) The initial ballot containing the list of eligible Judges, supplied by NSR Committee, will be mailed out with the CCA dues notice.
 - 2) The completed ballots will be returned by mail to the Election Committee by December 15.
 - 3) The Election Committee shall meet within seven (7) days after the votes are due. The Election Committee Chair shall certify the tally of votes for the respective candidates to the CCA President and CCA Secretary within one week after completion of the count. Only ballots received on or prior to the closing date of the election shall be eligible to be counted.
 - i. The top 12 names, or if a tie then 13 names, will be submitted as the respective candidates by the Election Committee.
 - 4) The CCA Secretary will contact these Judges by telephone to confirm their willingness to be on the final ballot. Their acceptance in writing must be received via email within 7 days of contact.
 - 5) Once the CCA Secretary has received confirmation from the respective candidates, the list will be sent to the Proxy Company so they can prepare the ballot. The Proxy Company will mail the final ballot to the membership in accordance with Article III, section 4 of the CCA By Laws.
 - 6) The Proxy Company will tabulate the ballots and provide the CCA with the names of the top three (3) judges to be announced after the awards presentation.
 - 7) The Judge's assignments will be conveyed to the Host Show Chair and announced within two (2) days by CCA Newsletter after acceptance of their assignments has been determined and verified by telephone and by written email notice.
 - 8) The Judge's contracts will be mailed to the three (3) elected Judges and the two (2) alternate Judges.
- C. The Host Herding, Agility, Obedience, and Rally Chairs, in conjunction with the Host Show Committee, shall select the Judges for the respective events. More than one Herding and/or Agility Judge may be hired if the expected number of entries or the stated limits, if any, would warrant more Judges. Two Judges shall be hired for Obedience and Rally.
- D. The Host Show Committee may select the Junior Showmanship Judge from among the elected Conformation or Obedience/Rally Judges, if possible. If not, a regular status, licensed Junior Showmanship Judge, preferably from the local area, may be chosen. There should be no restrictions on judging assignments except as noted per AKC rules.

- E. The Host Show Chair shall notify the selected Junior Showmanship, Obedience, Rally, Agility, and Herding Testers/Judges by telephone following their selection to be followed with written confirmation within ten (10) days with two (2) copies of the appropriate Judge's Agreement: Appendix C (Junior Showmanship Judge's Agreement), Appendix D (Obedience/Rally Judge's Agreement), Appendix E (Herding Tester/ Judge's Agreement), and Appendix F (Agility Judge's Agreement). One (1) copy will be signed by the Judge and returned to the Host Show Chair in an enclosed, stamped, addressed envelope.

10. JUDGES' ASSIGNMENTS

- A. Three (3) Judges shall be selected for Conformation judging. The assignments shall be broken down into three (3) divisions as follows:
- 1) Intersex competition, including Best of Variety (both Rough and Smooth), Brace, Best of Breed, Best Puppy, Best Bred-By-Exhibitor, Best American Bred, and any overflow requirements.
 - 2) All Regular and Non-Regular Bitch classes, in both varieties, including Brood Bitch, Best Puppy Bitch, Veteran classes, and Herding Titled classes.
 - 3) All Regular and Non-Regular Dog classes, in both Varieties, including Stud Dog, Best Puppy Dog, Veteran classes, and Herding Titled classes.
- B. The CCA Secretary shall contact the Judges, in the following order to determine their willingness to accept the arrangements as specified and ascertain their assignment choice.

 - 3) The Judge receiving the third (3rd) highest number of votes in the final balloting of the membership shall Judge the remaining assignment.
 - 4) The Judges receiving the fourth (4th) and fifth (5th) highest number of votes in the final balloting of the membership shall serve as alternate Judges.
 - i. These alternate Judges shall not be bound by any restrictions on judging assignments, except they may not accept any Collie assignments 30 days prior and within 200 miles of the show as per AKC rules.
 - ii. These alternate Judges shall be exempt from the sixth (6th) Specialty rule (see Section 8, paragraph D). If the alternate Judge replaces one of the regular Judges, or Judges over 100 Collies at this Specialty, the sixth (6th) Specialty rule will apply for subsequent National Specialties.
 - iii. These alternate Judges will keep the dates of that National Specialty open in the event they are needed to fill in for one of the top three (3) Judges.

- iv. If alternate Judge #4 or #5 is subsequently elected to Judge a future CCA, they will be released from his/her alternate Judge status and the next alternate Judge will move up in position.
- 5) If, for any reason, Judges #4 and #5 in ballot sequence are not available to adjudicate, the Judge next in line from the final ballot receiving at least 10% of the total votes received shall be contacted. If this person agrees to Judge, they will be sent a copy of Appendix A, Conformation Judge's Agreement, by the Host Show Chair via certified mail with return receipt requested.
 - i. Should the next in line after Judges #4 and #5 not receive at least 10% of the vote, the Host Show Chair shall consult with the NSC Chair to determine if the absent judging assignment could be shared by the remaining two (2) Judges.
 - ii. In the above case (10.B.5.i.), or in the case that a Judge becomes unable to adjudicate during his/her assignment, the National Specialty would not require three (3) Judges.
 - iii. The replacement is at the **exclusive** discretion of the Host Show Chair in accordance with AKC Rules and Regulations.
 - 6) The three selected Judges are to be notified with a copy of Appendix A, Conformation Judge's Agreement, by the CCA Secretary via certified mail with return receipt requested.
 - 7) The Alternate Judges are to be notified with a copy of Appendix B, Alternate Judge's Agreement by the CCA Secretary via certified mail with return receipt requested.

 - 9) If the show is canceled due to acts of nature, war, or other matters outside the control of the club, the three scheduled conformation Judges will have the option of judging the next scheduled National, whose judges have not been determined.
- C. One (1) Judge shall be selected for Junior Showmanship judging by the Host Show Committee. A fully licensed Junior Showmanship Judge should be considered from the Conformation panel first. However, the Host Show Committee may select another fully licensed Junior Showmanship Judge who also must be a CCA member. This Judge shall not be bound by any restrictions on judging assignments except as per AKC rules. The Judge should be notified with two (2) copies of Appendix C, Junior Showmanship Judge's Agreement (modified to cover the days of judging), by the Host Show Chair via certified mail, return receipt requested.
- 1) The **Junior Showmanship Only** Judge may handle and/or enter any exhibit in any event at the Specialty if they are selected as the Junior Showmanship Judge and are not judging any other part of the show, as per AKC rules.

- 2) **Junior Showmanship Only** Judges who plan to exhibit or handle dogs at this show, or if dogs owned by them are to be entered, the Judge may not attend pre-show social functions with other Judges for that show, or attend the Judges' luncheon the day that they plan to exhibit.
 - 3) If a Junior co-owns a dog with a Judge, the dog may be entered in Junior Showmanship only, at an event where the co-owning Judge is judging Conformation classes other than Junior Showmanship.
- D. Judges shall be selected for Obedience and Rally judging by the Host Obedience/Rally Chair in consultation with the Host Show Committee. Host will notify and verify acceptance with a copy of Appendix D, Obedience/Rally Judge's Agreement sent by the Host Show Chair via certified mail, return receipt requested.
 - E. Herding Trial Tester/Judges shall be selected by the Host Herding Trial/Test Chair in consultation with the Host Show Committee. - H. The Chair of the Herding events is the liaison between the Test/Trial Committee, the National Specialty Host Chair, the facilities organizations and the Herding Trial Secretary. The Chair must be a member of CCA in good standing. The Chair may appoint a Coordinator to arrange for the stock and facilities and share the liaison functions or other responsibilities depending on the circumstances, but the ultimate responsibility for the conduct of the event rests with the Chair.
- I. Rings for Herding and Agility events must comply with AKC requirements. If suitable facilities are not available at the site of the Conformation and Obedience/Rally competitions, then the Herding and Agility events should be held (except in extreme circumstances) within 100-120 miles.

- E. It is recommended, if possible, that the Agility Trial be a two (2) day, one or two ring event with one or two Judges.
- F. The Judges are to be selected by the Host Agility Chair in consultation with the Host Show Committee from the list of AKC approved Agility Judges. The Judge may not officiate in two (2) consecutive years at the National Specialty, but will be eligible to Judge again after a lapse of one year.

13. COLLIE CLUB OF AMERICA NATIONAL INVITATIONAL

- B. The Invitational is a financially independent entity of the National Specialty and requires funds generated from the Host to support presentation expenses.
- C. The Invitational will be held during an evening which does not conflict with the Quarter Century Banquet or the Collie Health Foundation Auction and Banquet. Traditionally, Wednesday evening is usually reserved for The Invitational presentation.

14. CONFORMATION CLASSES

- A. Judging should start no earlier than 8AM and should end no later than 6PM each day. All judging needs to be in accordance with current AKC rules.
- B. Classes will be judged in class order, i.e.: Puppies to Open, except when a change is needed to ensure that Bred-By-Exhibitor classes do not conflict with each other when more than one judging ring is required.
 - 1) Judging will cease in other rings during Winners Dog, Winners Bitch, and Best Puppy Rough and Smooth.
 - 2) Best Puppy Dog and Bitch will be chosen from 1st placements in the 6-9 and 9-12 month classes by the dog and bitch Judges immediately after judging Winners and Reserve in each sex and Variety. If Winners or Reserve is not a puppy, the 1st place puppies will remain in the ring to compete for Best Puppy of its sex and Variety. If the Collie awarded Winners or Reserve is from a Puppy class, it becomes Best Puppy for its sex and Variety and will return to the ring on Saturday after Best of Breed.
- C. An Award of Merit may be awarded, at Judge's discretion, for up to 10% of Specials **entered**, to other than Best of Variety, Best of Opposite Sex, Select Dog, Select Bitch, Best of Winners, Winners Dog and Winners Bitch.
- D. The following classes, involving multiple dog entries, are offered for both Varieties:
 - 1) *Brace*: A brace is defined as two (2) dogs of the same recognized Breed or Variety that are similar in appearance, performing in unison, and presented by a maximum of two (2) handlers. Both dogs competing in Brace competition must have at least one (1) common owner and both must be entered in another class.
 - 2) *Stud Dog*: A minimum of two (2) and a maximum of four (4) Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Get **must** be entered in one of the Regular classes or Best of Variety competition and each dog's armband must be worn. The Stud Dog and his Get shall be considered as one entry and requires one entry fee. The Stud Dog must be shown in the ring with the Get. The class will be judged on the merits of the Get. Stud Dogs must also be examined to determine if there is a condition that would require disqualification or excusal under AKC Rules. The Stud Dog is not required to be entered in any additional classes.
 - 3) *Brood Bitch*: Same as for the Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.
 - 4) Any exhibitor handling Get in Stud Dog and Produce in Brood Bitch classes will wear that individual entry's assigned armband. As the Judge's decision in the Stud Dog or

Brood Bitch classes will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible to compete for Best of Variety by virtue of having won these classes.

- E. Non-Regular Classes that result from Regular Class wins will be held after Best of Breed and Best of Opposite Sex to Best of Breed in the following order:
- 1) *Best Puppy In Show and Best of Opposite Sex To Best Puppy In Show (Rough and Smooth)*: Winners of Best Puppy of each sex and Variety compete for Best Puppy in Show and Best of Opposite Sex to Best Puppy in Show after Best of Breed. If the Best of Winners comes from a Puppy Class, that exhibit is automatically Best Puppy for its Variety. The defeated sex/Variety puppy entry would not be in competition for Best Puppy in Show but could be awarded Best of Opposite Sex to Best Puppy in Show depending on the sex of the inter-variety Best Puppy. All four (4) Best Puppies should be available for judging on Saturday after Best of Breed.
 - 2) *Best Bred-By-Exhibitor and Best of Opposite Sex to Best Bred-By-Exhibitor (Rough and Smooth)*: Winners of Bred-By-Exhibitor classes will return to compete for Best Bred-By-Exhibitor and Best of Opposite Sex to Best Bred-By-Exhibitor after Best of Breed. If the Best of Winners comes from the Bred-By-Exhibitor class, that exhibit is automatically Best Bred-By-Exhibitor for its Variety. The defeated Bred-By-Exhibitor entry would not be in competition for Bred-By-Exhibitor but could be awarded Best of Opposite Sex to Best Bred-By-Exhibitor depending on the sex of the inter-variety winner. All four (4) Best Bred-By-Exhibitor class winners should be available for judging on Saturday after Best of Breed.
 - 3) *Best American Bred (Rough only)*: Winners of the Rough American Bred class, dogs and bitches compete for Best American Bred, after Best of Breed. If Best of Winners is from the American Bred class, that exhibit is automatically Best American Bred (Rough).

to stand at the ring entrance and check each dog's number. Each dog will then immediately proceed to the exit gate and exit the ring. If your dog is not present at the scheduled check in time, it will be marked absent. It will then be up to the judge whether to allow any dog marked absent to be admitted late, provided the last dog in the class has not been examined and judged.

- a. Dogs designated in the first group will reassemble in the ready ring immediately for the start of judging.
- ii. The Judge and the Chief Steward will review the entry the day before to decide IF the Judge wishes to divide the Specials into separate groups for judging. If so, **Groups will be divided into approximately equal numbers of dogs of 18-25, regardless of absentees.** Male Veterans, male Herding Titled, and male move-ups, will be included with the last group of male Specials. The same guidelines will apply to the bitches, but the group size of bitches need not be the same size as the males. (*i.e.* 75 males could be divided into either 3 groups of 25 or 4 groups of 20 – 80 bitches would have to be divided into 4 groups of 20) Dog and bitch groups do not have to match in size.
 - a. The Judge and the Chief Steward will agree the day before to determine the size of the designated groups, and said groups will be posted ringside no later than the close of judging the day before the specified Best of Variety judging. (*This will allow time to make any adjustments necessary to the judge's and steward's book before the start of judging and allow exhibitors time to make any handling adjustments.*)
- iii. Exhibitors with multiple entries wanting them in separate groups must notify the Superintendent when submitting their entries; otherwise they may have succeeding numbers. Due to the AKC rules, there is no guarantee that dogs will be in separate groups. It will be the **Judge's** decision whether to allow dogs to change from one designated group to another.
- iv. There will be competition for the following—VARIETIES COMBINED
 - a. Best of Breed
 - b. Best of Opposite Sex to Best of Breed
 - c. Best Puppy
