

The following grade level materials will be used for the 2021-2022 school year at Archway Classical Academy North Phoenix.

Your child's class will utilize these consumable materials, writing and marking in them extensively.

While we ask that families consider contributing to help offset the cost of these materials that the Academy purchases every year, a set of grade level materials will be provided to every student.

[Contributions can be made on the Payment Portal.](#)
