

Kol Shalom Mask Policy – Beginning April 9, 2022

The Board has determined that, based on the current state of COVID-19 in our community and the new CDC guidelines, **Kol Shalom will make masking optional for gatherings of up to 50 people beginning April 9, 2022.** This means that our regular Saturday services will be mask-optional. **For gatherings expected to be attended by more than 50 people, (e.g., B’nai Mitzvot, etc.) masks will still be required.**

Friday night services will continue to be Zoom-only at this point.

Of course, we continue to monitor COVID-19 and will continue to adjust our rules as the current situation or local and national guidance change. Please continue to monitor the Shofar for more information.
