

## Sophomore Skills Course

The 2022 New York Cares/Fordham Bedford Community Services Sophomore Skills program is a partnership to offer college preparation classes to high school sophomores. This program will be offered through **Fordham Bedford Community Services**. This year the course will be offered remotely. If you are accepted into this program, New York Cares volunteers and FBCS Staff will tutor you and share strategies to prepare you for success in taking your SAT Exam. This tutorial program is a 2-hour, weekly-commitment that lasts from April 2022 to June 2022. The class is from 6pm to 8pm.

The Sophomore Skills class is **FREE!** There are only a few requirements necessary for you to take advantage of this incredible opportunity. You must legibly complete all of the questions on this application and you must return it to the person listed below. You will be contacted to attend a virtual interview. If accepted, you must attend and participate in every tutorial session; you must attend every practice examination, and you must complete all assigned homework. We look forward to meeting you!
