

Crime Prevention through Environmental Design

Chris Marzullo
Neighborhood Resource Officer
Madison Police Department
Wednesday, February 23, 10:00 AM

Please join Officer Chris Marzullo, the Neighborhood Resource Officer for MPD's Midtown Police District, to learn how we can improve the security of our homes, businesses and facilities by incorporating the evidence-based principles of Crime Prevention through Environmental Design (CPTED). **To register and receive the Zoom link, email TriadEvents@rsvpdane.org.**

Triad brings together older adults, law enforcement and the community at-large to promote safety and reduce the fear of crime. Providing vital information about personal safety and crime prevention is key to our mission. We invite you to become an active participant in Triad activities. Volunteers are a key element in our success. To get involved, email Mike Thomsen at mthomsen@rsvpdane.org or call (608) 441-7897.
