CUSTOMER SERVICE TRAINING SERIES

in partnership with Myra Golden Seminars, LLC

LEARNING MODULE FORMAT

CHCANYS, in partnership with Myra Golden Seminars, LLC, is offering four (4) learning modules for Health Center staff to increase their customer service skills. Each learning module will consist of a webinar and Q&A, held virtually over Zoom, exploring different elements of great customer service.

A one-hour, highly-interactive webinar will cover an element of excellent customer service including creating a customer service culture, conflict de-escalation, and more!

One week following the webinar, there will be a Q&A Session where participants can bring health-center specific concerns to an informal, interactive meeting.
