Smart Tuition is Ursuline Academy's tuition management system. **Buy Now** is a transaction feature of Smart Tuition that allows school and community members to make a purchase from Ursuline.

Data from those transactions is maintained **completely separate** from your Smart Tuition family account data.

A Smart Tuition account IS NOT REQUIRED to be able to purchase something through Buy Now.

Mrs. Ramsey will create a storefront for an item or groups of items, and a link to **purchase** will be sent to students.

When you click on the link, you will be directed to the storefront to make an online purchase as you would with any other online retailer (Target.com, Amazon.com, etc.). **Items are not charged to an existing Smart Tuition account.** You will need to select item(s) to purchase, check an agreement box, and enter credit/debit card information.
