

Welcome Students, Parents and Friends to the We ARE Eastchester 2021 Fashion Show.

We ARE PROUD

Tonight, we showcase what makes these seniors great. We are excited to see them all dressed up and to hear about how they have made the most of their high school years. They exemplify the Latin words emblazoned on the High School Emblem: scientia (knowledge), fortitudo (moral courage), and sapientia (wisdom). During their four years at Eastchester High School, our seniors have built lifelong friendships, participated in meaningful activities to show involvement in their school community, competed in athletics, shown compassion for others, and gained greater knowledge through their studies. We know that they will go on to continue to make us proud in the future.

We ARE GRATEFUL

Thank you to the Class of 2022 for allowing us to celebrate your achievements this evening. Thank you to the countless volunteers who made tonight possible. Thank you to all who attended and all who supported us with your donations. The PTA offers its greatest thanks to our organizers, Candace Medici and Happy Zingaro and all of the committee chairs and their committee volunteers who have been tireless in their efforts to bring you the best event possible! Thank you to our senior advisor, Ms. Lauren Stipo and EHS principal, Dr. Capuano for their support! A special thank you to all the sponsors listed in this journal. We hope that you will patronize their businesses and thank them for their support of our school. It is nothing short of amazing that we are all able to be together tonight to celebrate our seniors. None of us will ever take events like this for granted in our lifetime!

We ARE RESPECTFUL of the Class of 2021 who missed out on this night during their senior year. We are so incredibly proud of your achievements and when we cheer tonight, we cheer for you as well as for the current senior class. Never forget what EHS meant to you because we will never forget what you meant to EHS.

Now, **We ARE READY** to celebrate these seniors by recognizing what brings us together.
WE ARE EASTCHESTER!
