## ***“Kabbalah”***

***Led by Rabbi Victor Weissberg***

**Wednesday, October 20, 2021**

**7:30 PM CST on Zoom**

The words “I wonder” is the source of so much of human discovery. And Ben Bag Bag’s statement in Pirke Avot regarding the Torah: “Turn it over and over because everything is in it” has inspired thinkers then and now to discover new ideas and gain greater meaning from Judaism’s foundational document. Jews in many lands and ages reflecting life’s challenges and changing times have discovered inspiration and guidance in Torah’s thoughts and stories.

Among those transformative creations is known as Kabbalah. What does it teach? Why is it so contemporary? Please join Rabbi Weissberg in a continuing conversation on Judaism’s ongoing confrontation between doubt and faith, between modernity and eternity: Kabbalah’s role in the Renaissance and modernity. Its effect on your life and mine.
