Let's Celebrate LGBTQ+ Pride Month, Father's Day, and Juneteenth!

LGBTQ+ Pride Month is currently celebrated each year in the month of June to honor the 1969 Stonewall Uprising. The Stonewall Uprising was a series of events between police and LGBTQ+ protesters which lasted over six days after officers from the NYPD raided

Stonewall Inn—a popular gay bar during this time.

The word of the raid spread and thousands of protesters gathered at the Stonewall. They protested “Police brutality” and advertised signage making demands such as: “End Assault on Gays” and “Stop Police Harassment”.

This uprising marked the beginning of a movement to outlaw discriminatory laws and practices against LGBTQ+ Americans. The first Pride march was held in New York City on June 28th, 1970. Check out [Ypsi Pride](#) for more info about local celebrations!

Juneteenth is the oldest nationally celebrated commemoration of the ending of slavery in the United States. Despite President Lincoln's Emancipation Proclamation - which had become official January 1, 1863 it wasn't until June 19th 1865 (over two years later) that the news spread and enslaved slaves were free.

Since 1865, the observance of June 19th as the African American Emancipation Day has spread across the United States and beyond. Juneteenth has been recognized by the State of Michigan as Juneteenth

Freedom Day for 17 years as proclaimed by the Governor and the Ypsilanti City Council approved to recognize and make Juneteenth an official holiday this year!

Happy
Father's Day
