

How to Join a Group in Realm

1. Log into Realm
2. Look for the symbol with 3 lines  News and click on it to see the menu of options.
3. Click on Groups. This is where you will see all the groups you are currently involved in.

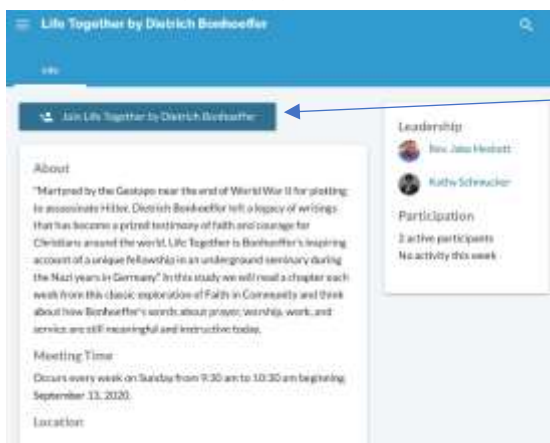

Scroll to the end of the list of groups and click 'Find Groups.'

4. Look at the different categories of groups and click on the category you are interested in learning more about. Most of our fall adult groups will be found in 'Adult Connect Groups.'

5. After clicking on 'Adult Connect Groups', scroll through all the available groups. You can read the descriptions of the groups.
6. Click on the group you are interested in to see more details

about the group. Then click the blue tab that says 'Join'. The group leader will then be notified that you are interested in participating in that group.

You can also click on the leader's name to find their contact information if you would like to email them or call them to ask questions about the group.
