Information on Series:

Each year motocross riders in the great state of Texas have the opportunity to earn their place in history, to be awarded, and acknowledged as Texas AMA District Champions in all three Texas Districts! From there it qualifies them to move on to the AMA Texas State Championship Final and to crowned STATE CHAMPIONS! Each district championship also has its own prestige and overall awards.

One of the best parts that make the competition even more fierce is you don't have to be from Texas to compete for the Texas Title. The racer can also choose to participate in any district they want.

Qualifying for Texas State Championship:

District 41 – Top 16 riders in each class advance to the State Championship

District 20 – Top 16 riders in each class advance to the State Championship

District 42 – Top 8 riders in each class advance to the State Championship

*****Riders must compete in at least one District qualifier round and be in the top 16 in points for District 41 and District 20 to advance to compete in the AMA Texas State Championship Final. (Top 8 in District 42) *****

ALTERNATE RIDERS:

Alternate riders may enter the event and represent their district provided they have raced and accumulated series points in their district. You can only race in classes that you raced in your district and collected points. **You can only race if there is a vacant gate spot in your class.** Qualified riders will have first choice in picking gates in every moto.

DIRECTIONS:

PLEASE NOTE AT THE TIME OF THIS BEING WRITTEN THERE IS CURRENT CONSTRUCTION IN THE AREA – ALTERNATE ROUTES MAY BE DISPLAYED AT THE TIME OF ARRIVAL

HEADING NORTH ON INTERSTATE 45 – MUST READ BELOW

Large rig, long trailer, lowboy, & semi:

Please use the following route. Coming from Houston, Exit River Plantation. You will make a U-turn under the freeway at River Plantation so that you will now be heading South on the access road. Stay in right hand lane and take the Y for FM 1488 and you will immediately take a right hand turn to flip back around to where you are heading North on the lower access road. TX Dot has torn out that curb as a temporary fix to get the big rigs into the park. When you are leaving the property, you will be able to exit the park by taking a left out of our front gates. Ask us at the front gates if you have any questions.

Small trucks & trailers:

If you are coming from the South heading North on I-45 please Exit #81 - FM 1488, but now you will make a complete circle to get onto FM 1488. Now you will be heading West on FM 1488. Once you go over the overpass, stay in your right-hand land, you will see a Valero/Circle K gas station on

your right-hand side. At that light take a right (Walter Woodson Drive), you will pass the fire station and dead end into a parking lot of an out of business restaurant. Take a left in that parking lot and follow it to the access road. Take a left on the access road, pass the soccer fields gates, then turn into our big black front gates of 3 Palms Action Sports Park. (Third driveway)

HEADING SOUTH ON INTERSTATE 45 – AT THIS CURRENT TIME THIS ROUTE HAS NOT BEEN AFFECTED BY CONSTRUCTION

Exit #81 – FM 1488; Merge all the way into the right lane **immediately** (basically you will do a U-turn); keep going right at the green “Access Road” sign to where you will be traveling north on the access road; park is on your left-hand side past the soccer fields, 3 Palms Action Sports Park.
