*Honorees are limited to one person per site or agency. However, multi-site member organizations can honor up to **two** honorees per their table package. So, for example, ABC Organization's nursing home may have one honoree and their home health care agency may have one honoree – and therefore ABC Organization will now be able to purchase one luncheon table package. If they also have an assisted living site honoree and an adult day center honoree, they can purchase a second table package for those two honorees. Questions, please contact Andrea Bellofiore.

Please explain in 200 words or less how this nursing aide is special to your organization and how they have enhanced the quality of life for older adults. We will use your words in our awards ceremony. The focus is on honoring those who exemplify the highest standards of compassion, commitment and excellence in caregiving. Please feel free to use a separate document.
