

IEA EGYPT CONFERENCE

Cairo, 2022

as above, so below

as within, so without, as the universe, so the soul

Hermes Trismegistus

IEA Egypt 2022 Conference

IEA Egypt Affiliate is proud to announce its second Enneagram Conference in the MENA region on **January 28 - 30, 2022** in Cairo, Egypt.

The theme of **IEA Egypt 2022** is "**As Above, So Below**". This theme is an invitation for a more holistic approach, where the Enneagram of Personality and the Enneagram of Process integrate to create a wider, all-encompassing meaning of our individual lives in unity with the universe.

We are seeking submissions of innovative, relevant, and effective papers by a wide array of presenters, addressing Enneagram applications in the following fields: Spirituality, Self-Development, Business, Education & Parenting, Psychology, and Relationships.

Conference Vision:

Aspiring through a holistic approach, to create a realm of knowing that resonates with our essence, with humble curiosity.

Conference Mission:

Facilitating exposure, grounded in practical and applicable knowledge, leading to a synergy between one's diverse parts, to achieve a greater whole.

Conference Objectives:

1. Ensuring a higher participation of both local & regional (MENA) Enneagram Community;
2. Creating a hub where Enneagram experts and enthusiasts from across the world exchange knowledge and experience;
3. Promoting an integral approach towards the application of Enneagram across other disciplines.

GUIDELINES

for Request for Papers

What we are looking for:

- Presenters must be current members of IEA Global as per IEA new Conference Requirements.
- Priority will be given to new papers and topics, which have not been presented at previous IEA conferences,
- Clear language, descriptions, explanations,
- Knowledge and competence of the presenter.

What you need to send:

- A description of your presentation explaining the topic/s to be addressed as well as what the attendee can expect (approx. 100 words).
- A bio, including previous experience relevant to the Enneagram.
- A high resolution picture.
- A completed fact sheet (please use the following link shorturl.at/MXY36 to complete the fact sheet and submit it along with the proposal).

AS ABOVE

SO BELOW

In compliance with the latest IEA Regional Conference Guidelines, it is important that all presenters, both local and international, must submit to the **Call for Papers Process**. We are confident that our esteemed Master Enneagram teachers will continue to support us in our endeavour to abide by these updated guidelines.

Submission of Proposals: by email to speakers@ieaegyptconference.com

Proposal Screening: will be done **ANONYMOUSLY** by a **Blind Committee** of local and international experts.

Presentation slots: are 1.5 hours long, including Q&A

Official Languages: English, Arabic. If your presentation is in Arabic, please allow for a 30-minute buffer translation time within the 1.5 hour duration of the session.

Deadline for receiving Papers: August 30, 2021

Final Selection: September 30, 2021

Every attempt is made to support and strengthen local as well as regional talents. In line with this, the Conference will be offering limited translation services from Arabic to English.

It's important to note that the Conference will be mainly held **in-person**. The Conference has a "virtual track" that includes some of the sessions airing online live.

In the event of serious changes in the pandemic state &/or international travel disruptions, the format of the Conference will be changed from face-to-face to online.

There is a **doctor of epidemiology** on board of the organizing committee, advising and ensuring all necessary **safety** measures are in place.

Expect an exciting pre-conference one day retreat with a variety of activities on January 27.

The Conference will be held at the InterContinental Cairo Semiramis Hotel.

For any queries, please contact **RANIA HUSSEIN**, Head of Speakers' Committee, speakers@ieaegyptconference.com

We look forward to welcoming you to
IEA EGYPT CONFERENCE 2022
